

Finance Tracker

Smart Finance Tracker Track. Budget. Save.

Supervised By : Ma'am Faiza Iqbal and Sir Sharjeel Tariq

Problem Statement

People struggle to manage daily expenses and stay within budget. This tool simplifies personal finance tracking with ease and clarity.

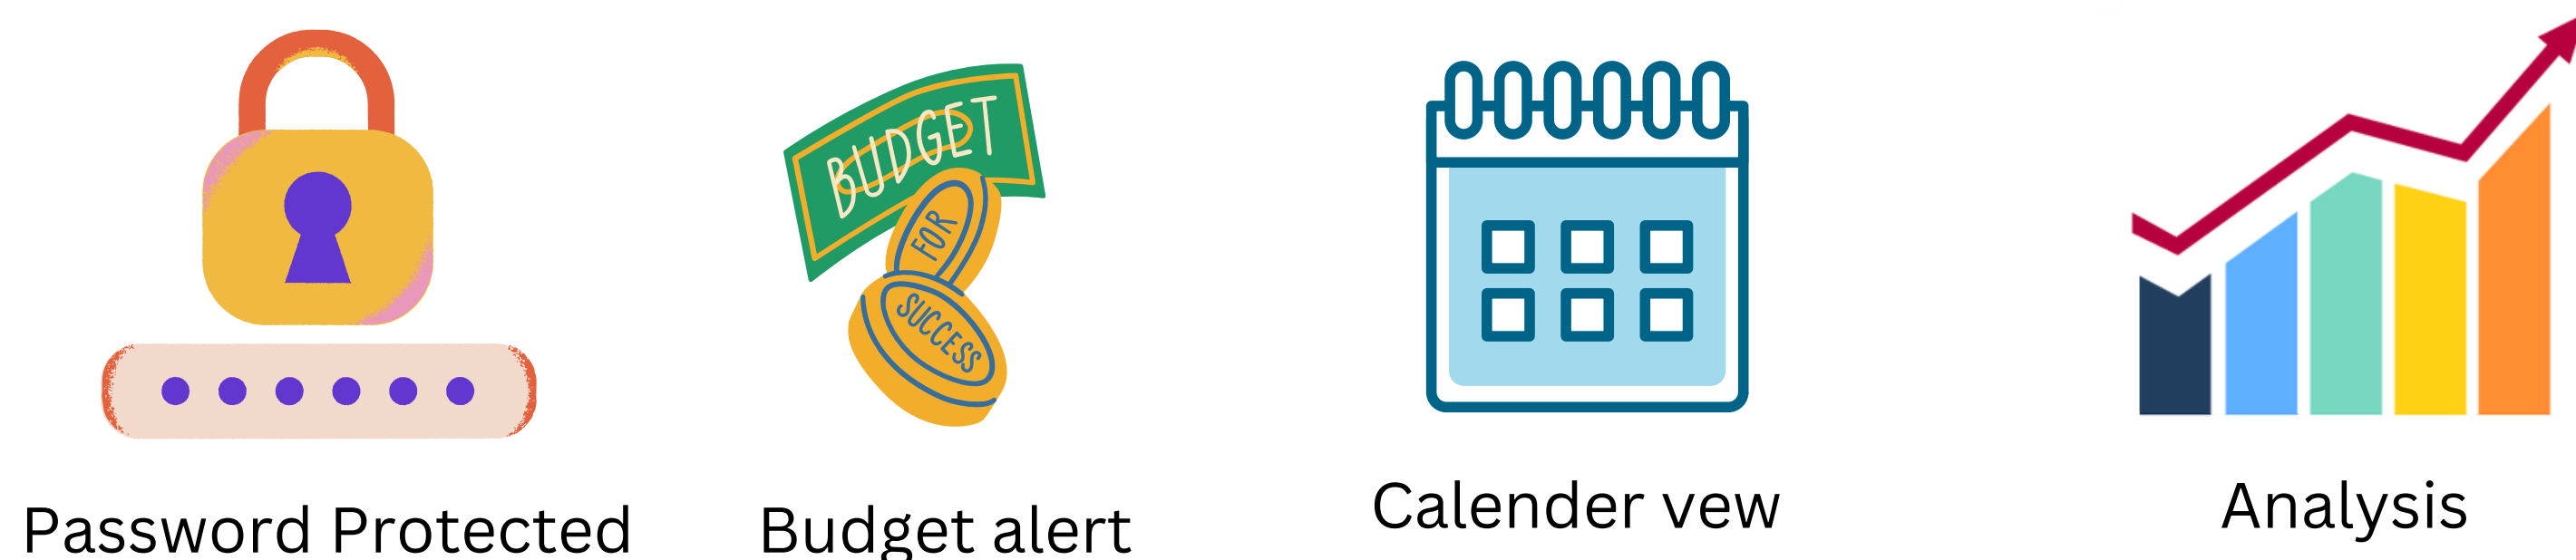

Objective

Simplify income & expense tracking. Enable monthly budgeting with alerts. Provide calendar-based transaction views. Support data export and filters

Key Features

- Real-time budget alerts
- Visual calendar view
- Search, filter, and export
- Dark & Light themes

Project Modules

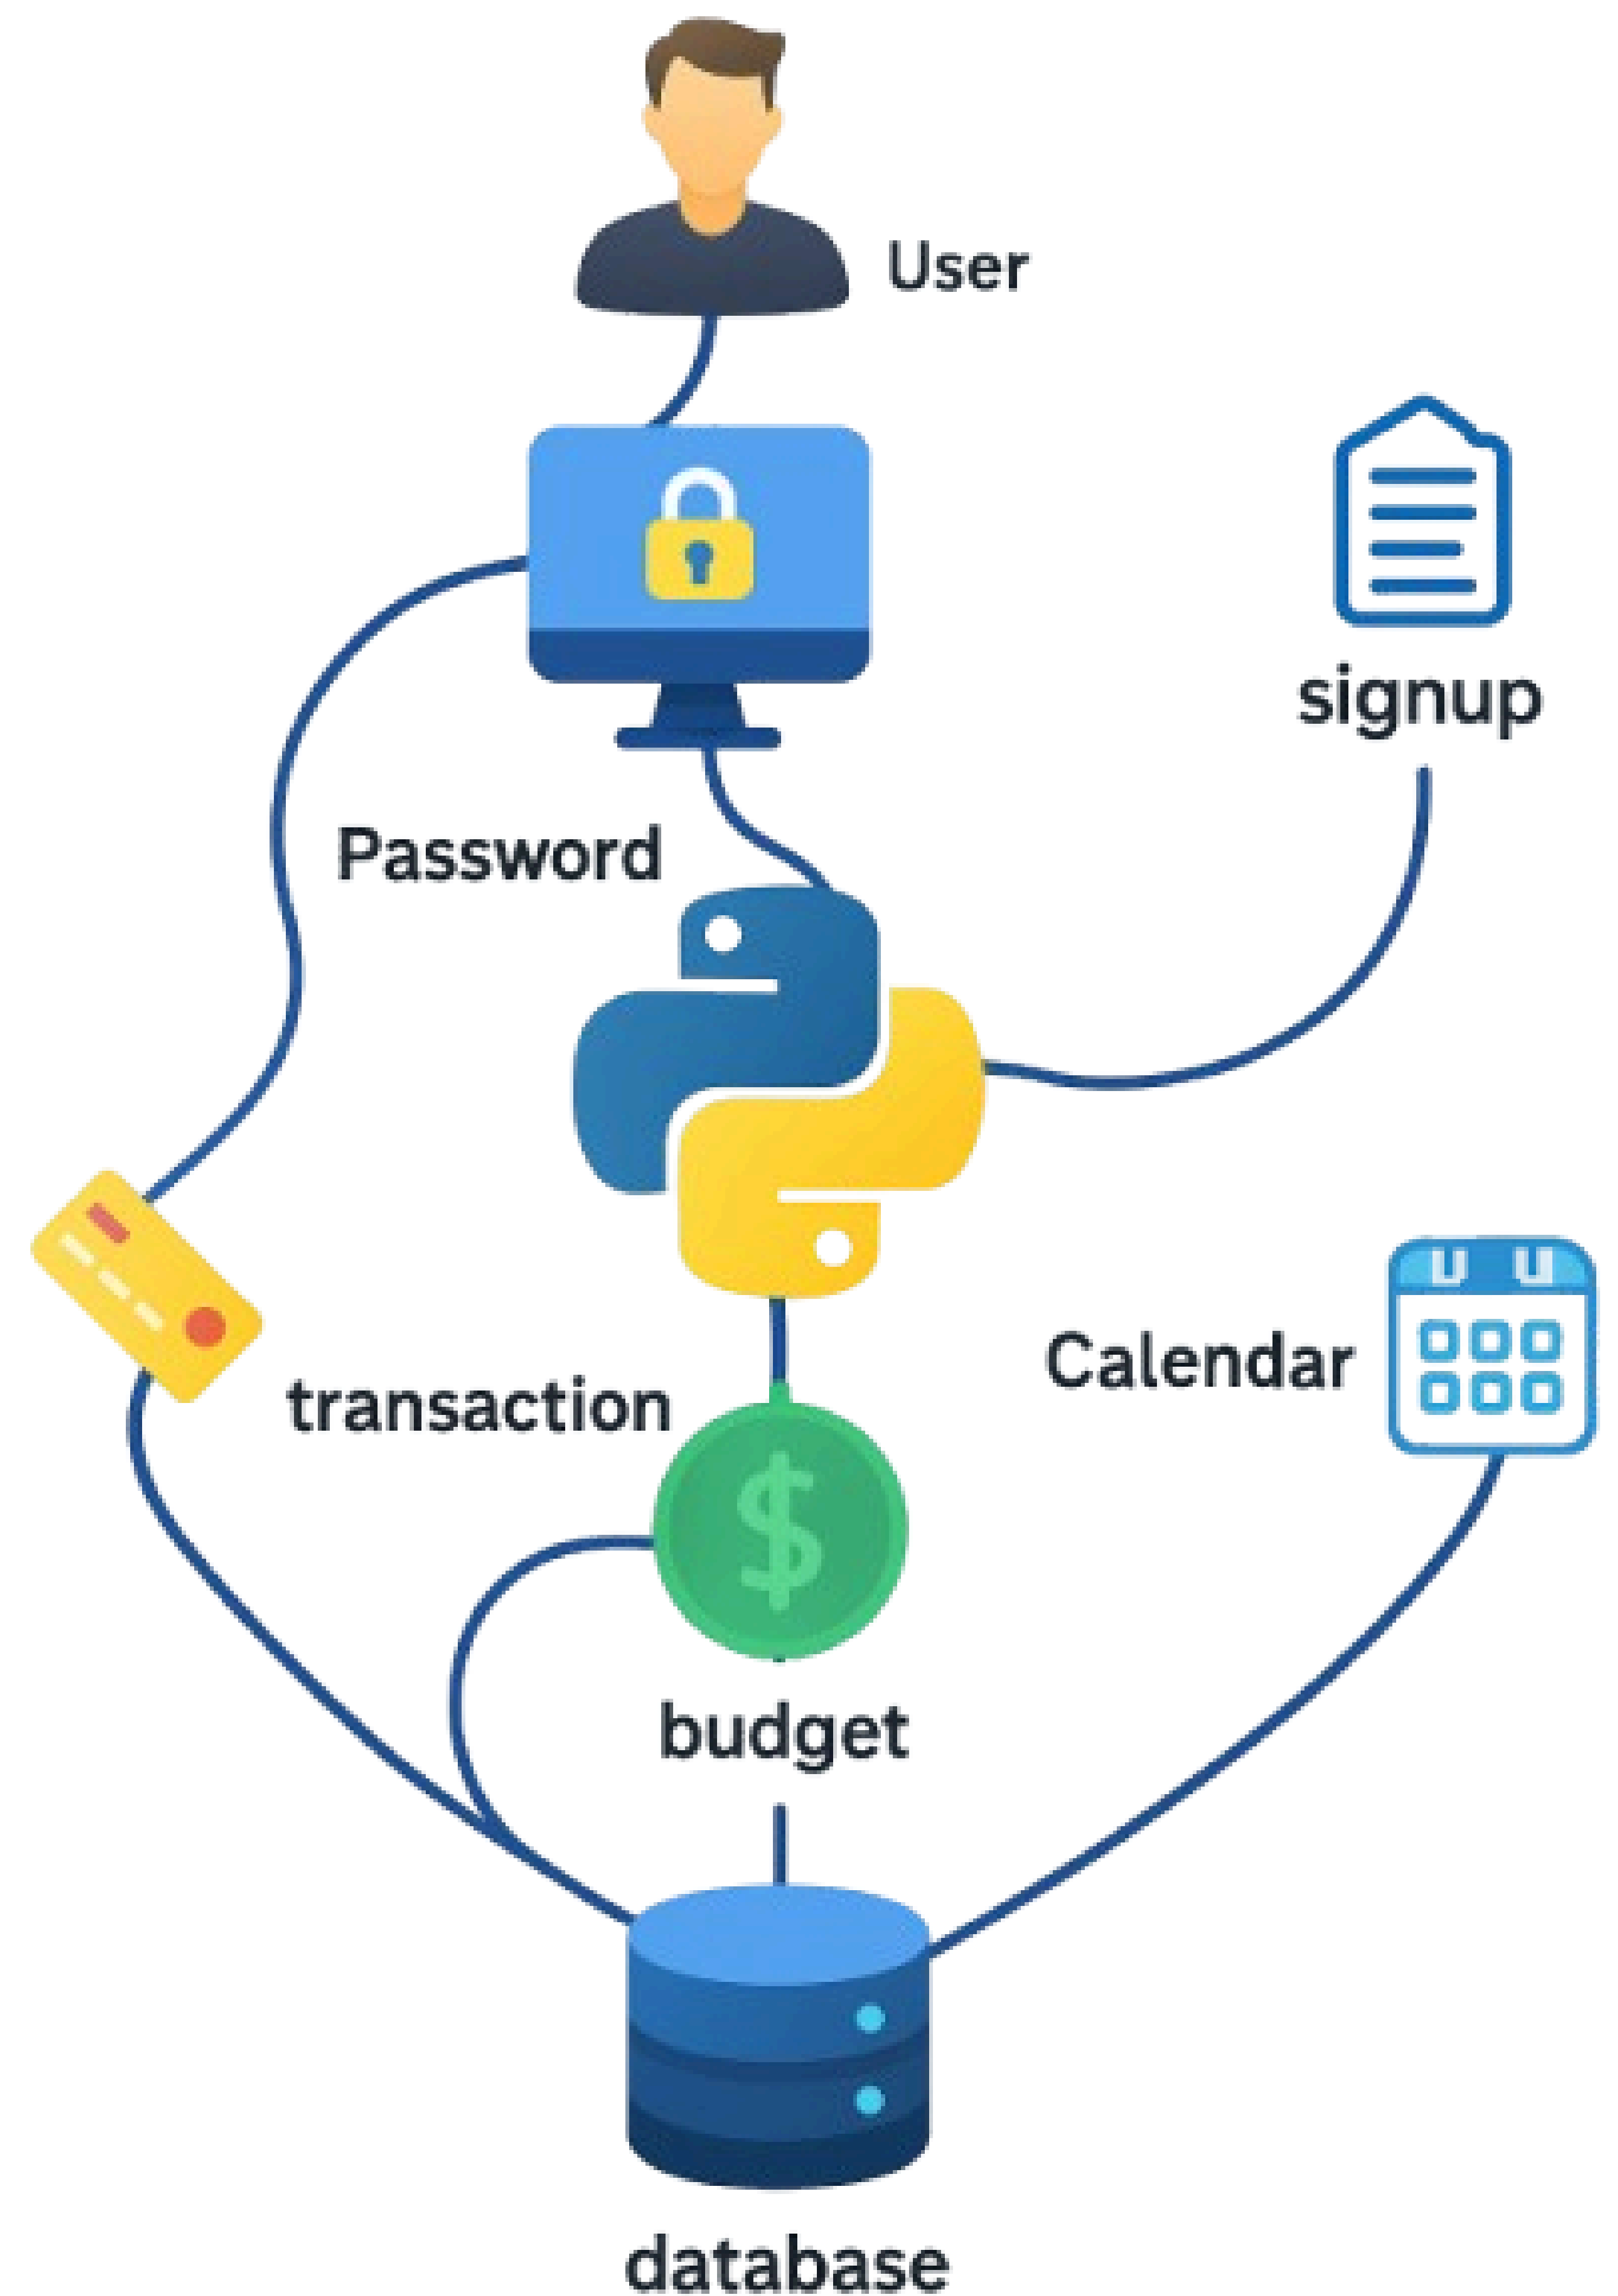

Technology Stack

Target Audience

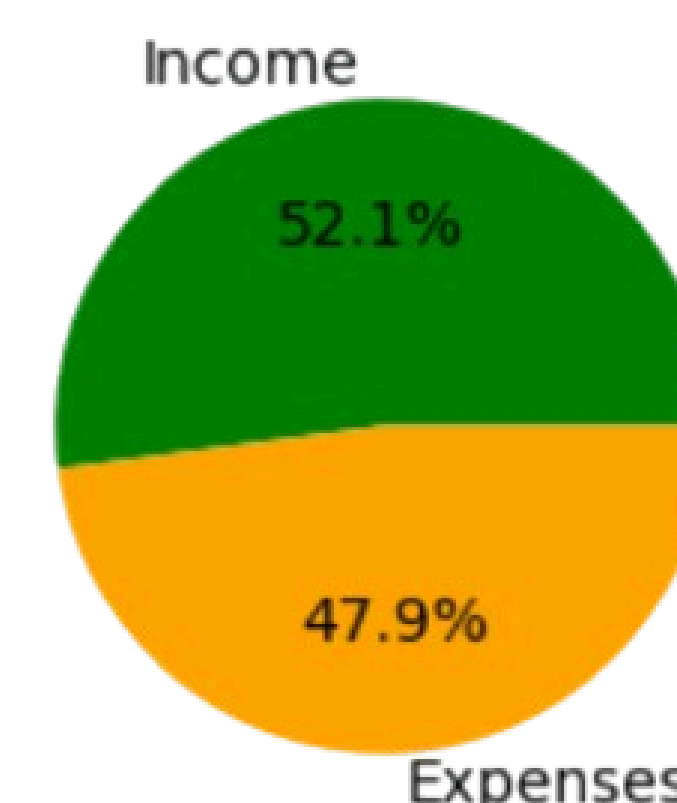

Students, young professionals, freelancers, or anyone looking to improve their personal budgeting and expense tracking.

Methodology

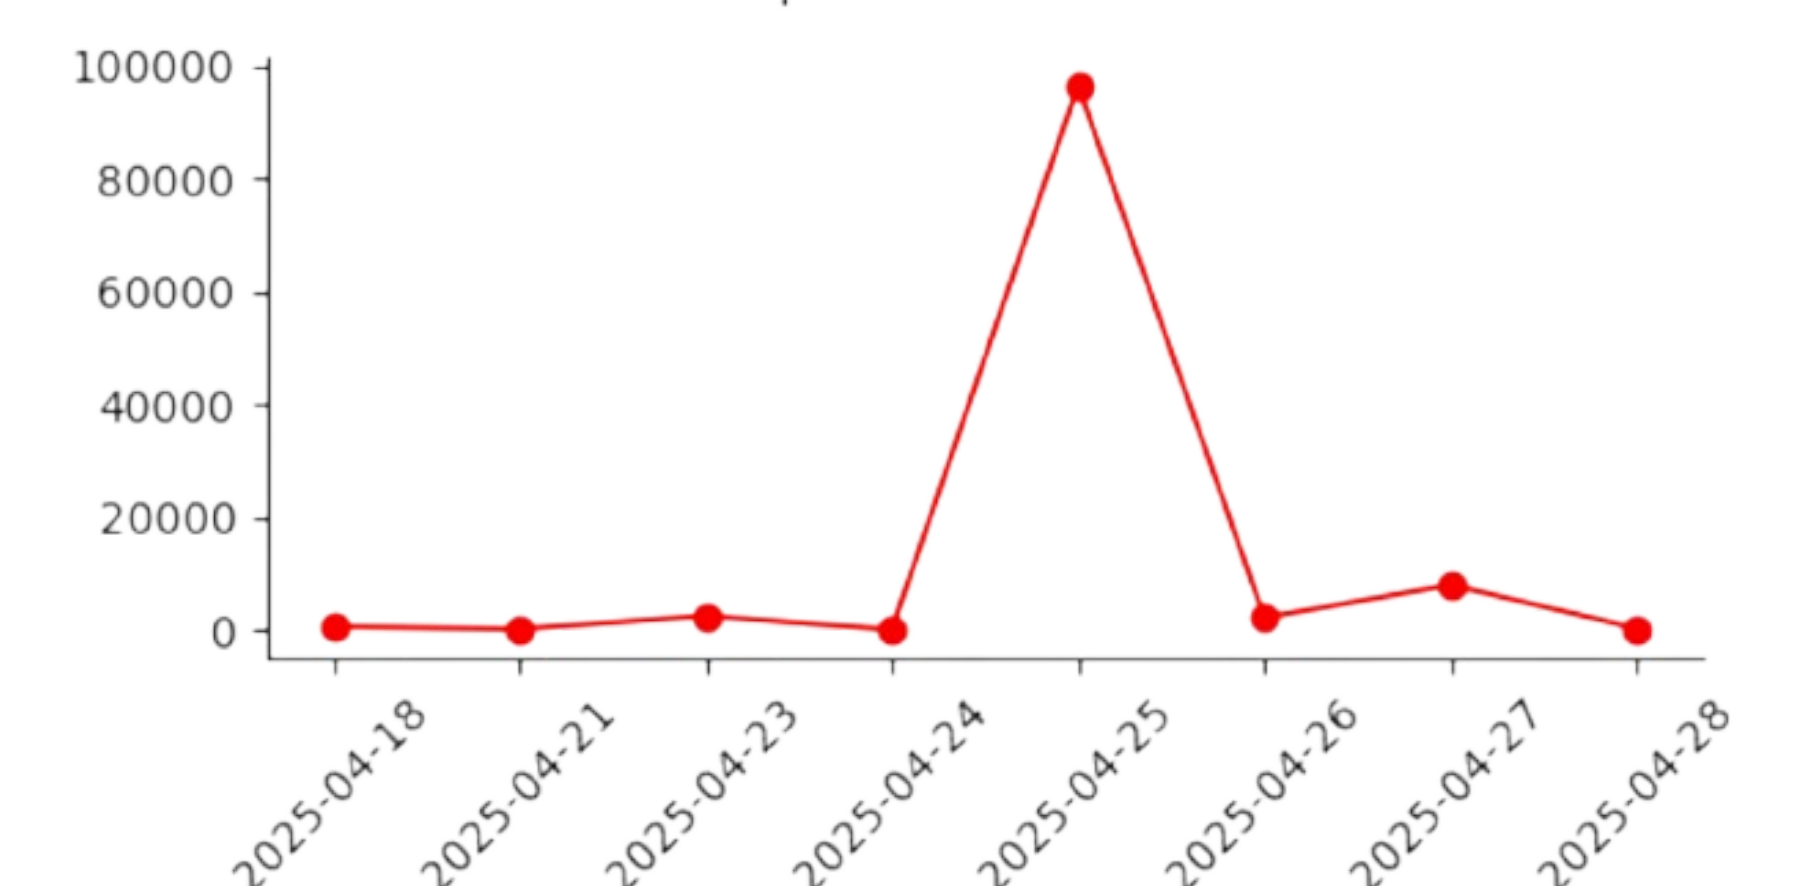

Real Time Analysis

Income vs Expenses

Expenses Over Time
